Oh what love,  
No language can express  
True and tender, free immortal love  
Shine to all the world,  
Free, immortal love,  
Love no language can express.

Oh what love,  
What a perfect love,  
Shining brighter,  
Free, immortal love,  
Love no language can express

God has sent His only Son,  
To die for the chosen nation,  
To prove His love was true,  
Free immortal love,  
Love no language can express.

Oh what love,  
What a perfect love,  
Shining brighter,  
Free, immortal love,  
Love no language can express.

When it's tough,  
And when it's rough,  
Jesus stays the same,  
When the world,  
Is against you-u,  
He's always there  
For you-uu

Oh what love, (oh what love)  
What a perfect love, (perfect love)  
Shining brighter (shining brighter)  
Free immortal love (oh oh immortal)  
Love no language can express (sweet sweet love)

Oh what love;  
Oh what love;  
Love no language can express
