Na Na ooo
Don't treat me like a stranger
(Don't treat me like a stranger)

(Pusha T)
(So that's how you feel? A stranger ha?)

(Kay)
Na Na ooo
Don't treat me like a stranger
(Don't treat me like a stranger)

(Pusha T)
All you do is complain

I buy you this, I take you there,
Now you wanna act like it ain't fair,
Find a new love guess it ain't rare,
You can be replaced 'case you ain't clear
Yup, OK player, look to my side and you ain't there
Too little time and youï»¿ ain't share,
End of the road and you ain't there

(Kay)
You hit my cell on Friday, come pick you up outta your
place
You tell me I look beautiful, baby that's so unusual
Butï»¿ then we get to the party, you act like you don't
even know me
You laughin' it up, you takin' shots,
So drunk you forgot about the girl you brought

You're a fool, you're a damn fool,
and it's all you'll ever be
So get a clue, get a damn clue
You'll never find another me

Na Na ooo
Don't treat me like a stranger
(Don't treat me like a stranger)

Na Na ooo
Don't treat me like a stranger
(Don't treat me like a stranger)

I can't believe how you do me, actin' like you never
knew me
I let your love run through me,
I feel just like a groupie, Charlie's Sootie
Perfect strangers, serving goodbyes like a waiter
I'll pack my bags alligator,
I hit the road like a stone and roll see ya later
You're a fool, you're a damn fool,
and that's all that's all you'll ever be

You're a fool, you're a damn fool,
and it's all you'll ever be
So get a clue, get a damn clue
You'll never find another me

Na Na ooo
Don't treat me like a stranger
(Don't treat me like a stranger)

Na Na ooo
Don't treat me like a stranger
(Don't treat me like a stranger)

(Pusha T)
Thought that life you was made for, they say you get
what you pay for
Want no stress so I paid more, now you wanna talk
while I game on
I play on, baller-like, goya bags lubutins and spikes
Take no bags when I board the flight, where I land
I'mma score tonight
Let pour tonight cirroc and lime, now we both stuck like
a porcupine
Let's get lost so we hard to find, push it to the limit like
borderline

(Kay)
Na Na ooo
Don't treat me like a stranger
