I've been here lookin' dynamite  
Alone against the wall  
Girls like you give it all so cold

Talkin' cheap in a bathroom stall  
Look so smooth  
Better tell me the truth  
Would you trade me  
Out for someone cool?  
I know you better than you do  
So put out your cigarette  
Kiss me on  
The lips tonight

Me and you  
You and me  
Let's go back  
Let's go back  
1983 is calling  
I've been on my knees and crawling  
Back to you  
It's coming all back to me  
Oh oh oh  
1983

I've got something that I've kept inside  
And the blood is on the blade  
You're there suckin' on a lollipop  
Like you haven't aged a day

And it ain't so pretty when you're playin' cute  
When your  
Body's up against some fool  
Does he feel it  
Cuz I feel it

Me and you  
You and me  
Let's go back  
Let's go back  
1983 is calling  
I've been on my knees and crawling

Back to you  
It's coming all back to me  
Oh oh oh  
1983

The year I was born  
I won't  
Be ignored  
So get your feet on the floor  
I'm the only one  
Are you afraid I still make you move
