I got close to your skin while you were sleeping  
I taste the salt on your hands  
I reached out to touch you, the morning light disarms  
you  
Won't you let me in?

Oh, how long till your surrender?  
Oh, how long till your surrender?  
It's a long way for heartbreak  
Let your heart wait and bleed  
Oh, how long till your surrender to me?

I become your shadow, I'd love but don't know how to  
I'm always lost for words  
You look like a thousand suns, I wanna be  
The only one left when your day is done

Oh, how long till your surrender?  
Oh, how long till your surrender?  
It's a long way for heartbreak  
Let your heart wait and bleed  
Oh, how long till your surrender to me?

I can't have you close so I become a ghost  
And I watch you, I watch you  
Maybe if you stay we could die this way  
I won't stop you, I won't stop you

Oh, how long till your surrender?  
Oh, how long till your surrender?  
Oh, how long till your surrender?  
Oh, how long till your surrender?

It's a long way for heartbreak  
Let your heart wait and bleed  
Oh, how long till your surrender to me?  
Yeah, to me

It's a long way for heartbreak  
Let your heart wait and bleed  
Oh, how long till your surrender to me?
