Hello, Welcome our CD  
Can you hear the blatant similarity  
To Linoleum and Shadows of Defeat.

vinyl lyrics: Hello, welcome to our disc  
turn it up and get your neighbors pissed  
or turn it down, it don't matter to me  
TAKE TWO PLACEBOS AND CALL ME LAME  
Cant you see my soul worn on the second sleeve  
Its going up for sale as soon as it gets saved  
Interrogation blues, once again I lose  
You dont get to magnify my insecurities  
You dont get to site and save my unhip-ocracies  
Not for sale  
Take two placebos then you can call me lame  
Walk some in my shoes then tell me to fuck off  
My oversized hat wont fit your humongous head  
Ill trade a hundred days for one inside of you  
Take me to a cave, where I cant be seen  
Solace makes the heart, pump adrenaline  
Im sick of being used, time and again betrayed  
Give a man a key, he cannot not open the door  
Give him something free and hell sell it to the poor  
Cest la vie  
Take two placebos then you can call me lame  
Walk some in my shoes then tell me that Im fucked  
My humongous hat wont fit your gigantic head
