Through word of mouth let it be known
The man who spends his life on a mission, he's
legendary
Travelling from coast to coast
He's the contemporary Johnny Appleseed
He's making sure his garden grows
He'll plant a seed in every town he goes
Fertilizing the country side
Couldn't stop him with insecticide
Makin' sure that the garden grows,
Yeah,yeah,yeah
He'll water the yeard with a garden hose
And you know he'll be plantin' a seed
Groomin' the backyard, or whackin' a weed
When diggin' holes, he'll be wearing a glove
He go into the shed, get out a shovel, and he shove
He'll plant the seed, makin' sure it's sown
He go into the shed, and he start hoein' with the hoe,
Ho,ho,ho
Makin' sure that the garden grow,
Yeah,yeah,yeah
He'll water the yard with the garden hose
Groomin' the backyard, or whackin' a weed
Yeah,yeah,yeah
The contemporary Johnny Appleseed
