Olive me, why not take all?
Can't you see I'm no good without you?
Take these arms I wanna loose 'em
Take these lips I'll never use them.

Your goodbye left me with eyes
How can I go one day without you?
You took the best, so why not take the rest?
Why not take olive me?

Olive me, why not take all of me?
Can't you see I'm no good without you?
Take these arms, I wanna loose 'em
Take these lips, I'll never use them.

Your goodbye left me with eyes that cry
How can I go one day without?
You took the part that once was my heart
Why not take olive me?
