When the night has come
And the land is dark,
And the moon is the only light we'll see.
Well I won't be afraid,
No, I won't be afraid
Just as long as you stand
Stand by me.
So darling, darling stand by me
Won't You stand by me
Just as long as you stand, Stand by me.
When the sky that we look upon tumble and falls
And the mountains crumble to the sea
I won't cry, I won't cry
No I won't shed a tear,
Just as long as you stand
Stand by me.
Darling, darling stand by me
Oh Won't You stand by me
Oh Won't You Stand, Won't You Stand, Stand By Me
Darling, darling stand by me
Oh Won't You stand by me
Oh Won't You Stand Won't You Stand Stand By Me
When the night has come
And the land is dark,
And the moon is the only light we'll see.
