Monday is my favorite time of year

I'm gonna tell you what I really think I like about
Mondays

Cause they feel like Saturdays
When you don't gotta go to work
Every day is a holiday
I wake up when I want to
I do anything I wanna do
Can't wait for Tuesday

I really never liked Fridays (I don't)
I can't do what I wanna do (Like to)
Sold out at the movies (Go out)
Can't eat at the restaurants (Weekends)
Everybody want a good time
But the bar's full of cigarette smoke
I think I'll stay home
I think I'll wait for Monday

I live a 5 day weekend
I gotta year long holiday
Thank God it's Monday
The only place that I gotta go be
Is at the show or on the first tee
Thank God for irony
Nevermind the aggravation, modulation
Gimme another key

I'll tell you why I like Tuesdays (Wednesday)
Cause the're kinda like Christmas (New Years)
Come to think about Wednesdays (Thursday)
Are a little like Hanukkah (Every day is good)
Thursday's Thanksgiving
I'm talking about good living
I'll think I give thanks
Thank God it's monday
