In the darkest tunnel, it's nice to see a light,  
Not just a headlight,  
Like the one that's heading right for me.  
It would be nice if things could turn out right,  
Turn out right yeah,  
Don't think I'll ever see the day.

I must have done something wrong,  
Or maybe pissed off God.

I think of Chinese food when I think of life,  
That's sweet and sour,  
My life is sweet as sucker in,  
You know 3 week old milk and grapes are not,  
Not the same, No,  
I am the one Johnny Carcinogen.

I must have fucked with some witch,  
In turn she cursed me, cursed my life.

At the end of the longest line,  
That's where I will always be,  
If you need to find me, just go to  
The end of the longest line.

But officer that was a yellow light,  
The light was red, son,  
Insubordination, reckless driving,  
I must be wrong, this can't be right,  
I don't belong, this world is much too dangerous,  
For someone lucky luck, like me.

At the end of the longest line,  
That's where I will always be,  
If you need to find me, just go to  
The end of the longest line.

At the end of the longest line,  
That's where I will always be,  
At the end of the longest, line.
