There's something wrong with the kids in my  
neighborhood  
They always listen to your mom  
They disregard civil disobedience  
They'd rather do what they're told  
They don't drink, or fuck, or fight  
They sit home, and read, expand their minds

There's something wrong with the kinds in my cul de  
sac  
Their always goin to church  
They dress well and they're  
Speaking articulate  
They show eachother respect  
They're never late, don't smoke  
Or break rules  
They eat right, study hard  
They like school

There's something wrong with the kids in my  
neighborhood
