Whoops I OD'd,  
Shortness of breath.  
Call ambulance,  
Tell my wife I {love her}.  
Error in judgement cut my life,  
No second chance, no guiding light.

I never meant to cause you pain,  
I never thought I'd be the one who took the fall.  
I got lost in the moment,  
Assholes like to test the limit.

Six minutes down,  
Breathing machine,  
Brain not feel right.  
The look on you is killing me,  
Drowning in shame but don't feel bad.  
Cause I never feared consequences.  
Hate regrets more than apologies.

A year has passed, like photographs.  
My life is just a scrapbook,  
Of old friends and faded memories.  
Looks like I pulled the rug from under myself.  
The fall's too much for me to recover from.

It's been real fun but now I must say goodbye.  
I'll see you all at Okie Dogs,  
I'll see you all at Okie Dogs.
