It's time now, see me now  
Yatto deaetanda ne

It's time now, see me now  
We were finally able to meet

Hajime kara sou datta  
Bokura wa dareka to kuraberare ikite kite  
Warau to shita  
Sonna sekai de futari wa  
Otegai no shiawase wo negaerunda ne

It was like this from the start  
We lived thus far being compared to someone else  
Yet trying to smile  
In such a world, the two of us  
Were both wishing for each other's happiness

Boku no akubi ga kimi ni utsutta  
Kimi no ashita ga subete ni kawatta

You came to yawn like I did  
Your tomorrow became my everything

Okusen no meguriai no naka de  
Saigo made kono deai wo  
Boku ga hoshigaru darou  
Kirei ni kikazaru tame no kotoba  
Sonna mono ni imi wa nai hitsuyou nai  
Sutero yo

In the hundreds and millions and thousands of  
meeting  
To the very end, I was surely  
Wishing for this meeting  
Things such as pretty euphemisms  
There is no meaning in them, nor need for them  
Cast them away

Shinzou ni mo nai nou ni mo nai  
Doko ni mo miataranai kokoro  
Futari no aida nara ni tashika ni kanjirareru

A heart that cannot be found anywhere  
Not even in the chest nor in the brain  
I'm sure I can feel it between the two of us

Aenai hi no sabishisa ga hora  
Issho ni iru jikan no juujitsusa wo shoumei shita  
Tokubetsu na toki ni kawatteku yo

Look, the loneliness of the days where we could not  
meet  
Prove the fullness of the times where we were together  
They have become special times to me

Omoi wo jishitan ja nai nee nee  
Tsutaetai shinjou ga nee  
Tonari de kokozo tte toki ni kotoba ga  
Konna ni afureteru no ni nani mo ienaku naru

It's not that I'm denying my feelings, hey, hey  
It's just that the feelings of wanting to tell you, hey  
To be beside me, that I am right here  
Sometimes although the words were overflowing this  
much  
I found myself unable to say anything

Taisetsu na koto wa taisetsu to omou koto wo  
Arikitari na kotoba ni zenbu wo komeru yo  
Shinzou ni mo nai nou ni mo nai  
Doko ni mo miataranai kokoro  
Kimi wo omou toki wa tashika ni atsuku yureteru

The fact that I consider important the things I treasure  
I'll put all that into the most mundane words  
A heart that cannot be found anywhere  
Not even in the chest nor in the brain  
I'm sure it is swaying passionately when I think of you

Okusen no meguriai no naka de  
Saigo made kimi no koto wo boku ga hoshigarau darou  
Kirei ni kikazaru tame no kotoba  
Sonna mono ni imi wa nai hitsuyou nai sutero yo

In the hundreds and millions and thousands of  
meeting  
To the very end, I was surely  
Wishing for this meeting  
Things such as pretty euphemisms  
There is no meaning in them, nor need for them  
Cast them away

Shinzou ni mo nai nou ni mo nai  
Doko ni mo miataranai kokoro  
Kimi to iru toki wa tashika ni kanjireru  
Yasashiku sono subete wo tsutsumi kon de yuku

A heart that cannot be found anywhere  
Not even in the chest nor in the brain  
I'm sure I can feel it when I think of you  
Gently enveloping everything

It's time now, see me now  
Yatto deaetanda ne

It's time now, see me now  
We were finally able to meet
