C'mon baby

Coming straight on for me
From across the room
Never felt this way
Can't take my eyes off of you
Captured in the moment
Suspended in time
You're lookin so hot
Never seen you lookin so fine

Hey girl
You move right in on me
No wastin time
You lay it on the line
When you say
I'm gonna make you mine
It's high time
You get ahold of me

Dangerous
Wicked and your mine
Dangerous
With that look in your eyes
Your gonna make your move
Commit your crime
Got your 45 armed
And I'm in your sights
Your so dangerous
Your comin after me
Dangerous
Wild as can be
Lets go

Now I know you can't wait
To take me away
Satisfy what you crave
Put an end to this game
So you start talkin dirty
The things your gonna do
Well you're makin me crazy
Gonna go insane with you

Dangerous
Wicked and your mine
Dangerous
With that look in your eyes
Your gonna make your move
Commit your crime
Got your 45 armed
And I'm in your sights
Your so dangerous
The girl of my dreams
Dangerous
Wild as can be

Dangerous
