I want to get a tatoo
with your name and then kill myself
med blod og blk str dit navn
med bl og black i en srskorpe
I want to crash on my bike
and cry for help and you help me
med grus og blod str dit navn
i en asfaltflod som en showcase
Me and my pittiful neighbours
Burn, burn, oh Tatoo John just burn
burn my tatoo, make me learn
learn, oh Tatoo John just burn
burn my tatoo burn
I want to crawl into photos
of us in the summer
i grus og grs str vi sammen
p en legeplads med en ice cream
Me and my beautiful children
Burn, burn, oh Tatoo John just burn
burn my tatoo, make me learn
learn, oh Tatoo John just burn
burn my tatoo burn
