

Nephew "Oyster Hall"

Visit "[Oyster Hall](#)" on MotoLyrics.com

I wanna sing in the oyster hall
I wanna shop in the waisting mall
My reasons got no intention now
O-u-t is my invention now
For hvis jeg gr ud p en mark
Og den er grn og jeg er smart
S vil I snart kunne se en sart
Og krosset sjl
I wanna breathe in the oyster hall
100 losers in Amsterdam
8000 farmers in monsterland
Hey foursome does not make you special now
Boredom is part of my life routine
For hvis jeg gr ud p en mark
Og den er grn og jeg er smart
S vil I snart kunne se en sart
Og krosset sjl
I wanna breathe in the oyster hall
A smell of lox in my living room
I wanna breathe in the oyster hall
