I wont leave
I wont leave
I don't need you here because Im wasted
Spelling words
Spelling words
Spelling UB40 cause they raised me
I don't need you here because Im
Wasted
Im wasted
Cause it's not my job to keep the balance right
Feeding sweep
Micro beep
And this shining screen will overtake me
Kan man f
Kan man n
Katmandu med Mrsk, nr han er mistet?
I don't need you here, now that Im
Wasted
Im wasted
Cause it's not my job to keep the balance right
Jeg har vret i Los Angeles
Der s jeg noget jeg aldrig glemmer
