No place that i chase fills my empty space  
Your grace is in my face, now i can run my race  
With You and me it ought to be something i should  
treasure  
You come to me so heavenly, with love beyond all  
measure

I'll give my heart to You  
I'll give my soul to You  
I'll give my everything to You, its all i can do

Nowhere that i stare brings me to what is fair  
You're there, Your everywhere  
Your love heals my despair  
So openly You want to be the source of all pleasure  
So talk to me and help me be the one to store Your  
treasure

Nothing else can satisfy  
It is only you to whom i'll cry
