Instrumental

Transmit your energy with mine
Give it all to me there's none inside?

Tell me what are we doing to-night?
When your gonethen your always on my mind
Your pictures not enough this time.
I need your touch to feel alright.

Tell me,
What do we do here tonight?
When your gone your always on my mind.

Sun shocks and my heart beats...
When I see you.

Ooh Ooh Ooh

Sun shocks my heart beats and I'm waiting.

Ooh Ooh Ooh
