You!

There's no time
You're buried within
They know what you've been through
Hide yourself
The clock states the end and it's ticking for you
Worship yourself
A liar shows no mercy

Behind your shining smile, you're the forsaken one
These lies will keep you safe (So dead yet so brilliant)
Still you pretend and dun, dieing to overun
There has to be away

Show your scars
Facing the end you will always be true
Ain't no way
The clock states the end and it's ticking for you
Worship yourself
A liar shows no mercy

Behind your shining smile, you're the forsaken one
These lies will keep you safe (So dead yet so brilliant)
Still you pretend and dun, dieing to overun
There has to be away

You've always had your way
To hide your fears
I won't allow

You!

Behind your shining smile, you're the forsaken one
These lies will keep you safe (So dead yet so brilliant)
Still you pretend and dun, dieing to overun
There has to be away

Worship yourself
A liar shows no mercy
