#### VERSE 1

Nas:

Yea, yea, yea, yea...

Uh, yo

Ladies love what I've been through

Blood on my Timb boots

Snub noses club closes down when my mens shoot

But she cant stand I'm sharing everything with the fam

That means them too

Flat screen, Benz coupe

Plus I entertain bosses

At my Spanish-style, Lagafell furnished up fortress

But look at miss thing in Alexander McQueen

Jizette Bizatti the sexiest body

And I bet you see properly

Heard how I love 'em and leave 'em

But she still wanna suck him and eat him

'Cause I'm a poet, a preacher, and a pimp with words

A thief who stole her heart a prince she deserves

Kelis:

I should have know by the way that you stare

Eyeing passes by like your rich but life ain't fair

But ya make my record skip, make my record skip

Make my record skip, make my record skip

HOOK -

Kelis (Nas):

I woulda never talked to you if I'da known you was a  
popular thug

Hey, popular thug (your damn right)

I woulda never talked to you if I'da known you was a  
popular thug

Hey, popular thug (your damn right)

I'm a bad influence yo have your marriage ruined  
By hanging with me you get ass from some new chicks  
My life's influent cash and music  
Honeys I hit hear my song they get mad and lose it  
'Cause I'm a sex crazed bastard  
I hit Kelis with a cushion cut engagement ring  
We done, that's it

Kelis:

Shuffling your car keys, it sounded like a gentleman

VERSE 3 ?

Nas:  
I dont mean mug or ice grill  
'Cause I dont have to  
My eyebrow shaped like a half moon and I dont raise  
em  
The kid you cant budge him or faze him  
My money's amazing  
Honey, Black, Puerto Rican, and Asian  
What a mean look  
me and you  
the king is hooked  
Got you the Cayenne green Porsche to push  
They off the hook  
Giving haters nightmares walking  
You smothered by a popular gangstaperfect boyfriend

Kelis:

I should have heard it in the way you said my name  
While I analyze your tone you were formulating game  
But ya make my record skip  
make my record skip  
Make my record skip  
make my record skip
