"A Peacock"

A sunny day
You're walking with me
You want to play
But I'm so tired of this game

Let's just kiss
And forget about money
Cuddle up to me
Hold me tight

Your sour smile
Just makes me laugh
Where did you get those feathers?
I won't nose into your affairs

Did you forget you're not a peacock
I want to love you now!
Where did you get these awful feathers?
Just try to kiss me, oh

Did you forget you're not a peacock
I want to love you now!
Where did you get these awful feathers?
Just try to kiss me, oh

I'm always angry with you
When you become a bird
But I'll give anything
For this kind of love
But I'll give anything
For this kind of love
I don't mind getting hurt
For this kind of love
No, I don't mind getting hurt
For this kind of love
