"Be Kind, Be Mine"

You laugh
At me
While I'm
Falling
Down
On the ground
Waiting
For pain
You mean
Loving
Really
Feel it?
For sure
Me too
But only
Show me

Your palms
Your palms
Your palms
Your palms

I know
How
To draw
Bow
Won't scare
Just set stare
Comprehend
It's underhand
Not bad
You're mad
Bristle
Besots
Be kind
Be mine
Unmask
Your face
And

Show me your palms

Show me your palms
Show me, just
Show me your

It's fain
You're slain
Don't vie
For die
My plan
Is so plain
Make up your mind
And you need to hide

Show me your palms
Show me your palms
Show me, just
Show me your palms

Show me your palms
Show me your palms
Show me, just
Show me your palms
