Hey, it was a vision of you,
Vision of you, vision of you
I know it's fake, it's not the truth
Your body wasn't there in my dream
In my dream, in my dream
Only a delicate perfume

Hey, what a fairy tale
Brought you here to me, to me?
Do you see a coming train?
Do you feel a fabulous star's falling?

Hey, what a fairy tale
Brought you here to me, to me?
Do you see a coming train?
Do you feel a fabulous star's falling?

I was a boy crazy with love to you, girl
I never saw radiant beauty
Damn! You're an alien,
And what are you doing here in this town?
It doesn't matter actually

Hey, what a fairy tale
Brought you here to me, to me?
Do you see a coming train?
Do you feel a fabulous star's falling?

Hey, what a fairy tale
Brought you here to me, to me?
Do you see a coming train?
Do you feel a fabulous star's falling?
