Sand eats my feet
And my thoughts
This date with the sea
Is the last

Hurry up, I'm going away now
We have so much to discuss
Kiss my hands and I'll kiss your eyes
This date gonna be the last

In your big eyes
I am too small
A little girl
Who wants some love
But I'll become
As great as you are
And we will be
Forever and more

Hurry up, I'm going away now
We have so much to discuss
Kiss my hands and I'll kiss your eyes
This date gonna be the last
