[Chorus/hook]

Are you always this beautiful when your sad, you say  
What we got now, is nothing like we had,  
I've been having withdraws, and they've been getting  
bad,  
Y'all been gone and I miss y'all, it's making me sad

[verse 1]

pop it light it sip it pass it never tell her that you have it,  
kiss her fuck her miss her but you never tell her that  
you love her,  
where have you been, I've been over here, waiting on  
my own,  
they don't know what's lonely mamma, but I know they  
know the tone,  
I'm looking at the walls, hoping that they'll fall, or just  
close in,  
I'm talking to myself, I'm talking to The Doors, I don't  
know them,  
They could have their way with me, anytime they want,  
But they never want to lay with me, at the times that im  
alone  
oh oh oh oh oh

[Chorus/hook]

Are you always this beautiful when your sad, you say  
what we got now, is nothing like we had,  
I've been having withdraws, and they've been getting  
bad,  
y'all been gone and I miss y'all, it's making me sad

[verse 2]

the frame of the mind that im in can't be safe,  
if you'll let me know what you know  
I won't be this way,  
you never told me that you love me as many times I  
told you,  
and I've been alone I see your voice and I don't know  
you,  
so where have you been, all this drug abuse making  
me thin,

and that ain't me, and that ain't who I saw myself to be  
and im running low, I bought it in the row,  
the person that sold it to me said it make me cold,  
I want you to know, if it was just different,  
then I would of tried to lifted your vision but ahh

[Chorus/hook]

Are you always this beautiful when your sad, you say  
what we got now, is nothing like we had,  
I've been having withdraws, and they've been getting  
bad,  
y'all been gone and I miss y'all, it's making me sad
