We were strangers, starting out on a journey  
Never dreaming, what we'd have to go through  
Now here we are, I'm suddenly standing  
At the beginning with you

No one told me I was going to find you  
Unexpected, what you did to my heart  
When I lost hope, you were there to remind me  
This is the start

And life is a road and I wanna keep going  
Love is a river, I wanna keep flowing  
Life is a road, now and forever, wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through  
In the end I wanna be standing  
At the beginning with you

We were strangers on a crazy adventure  
Never dreaming, how our dreams would come true  
Now here we stand, unafraid of the future  
At the beginning with you

And life is a road and I wanna keep going  
Love is a river, I wanna keep flowing  
Life is a road, now and forever, wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through  
In the end I wanna be standing  
At the beginning with you

I knew there was somebody, somewhere  
Like me alone in the dark  
Now I know my dream will live on  
I've been waiting so long  
Nothing's gonna tear us apart

And life is a road and I wanna keep going  
Love is a river, I wanna keep flowing  
Life is a road, now and forever, wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through

In the end I wanna be standing  
At the beginning with you

Life is a road and I wanna keep going  
Love is a river, I wanna keep going on

Starting out on a journey

Life is a road and I wanna keep going  
Love is a river, I wanna keep flowing  
In the end I wanna be standing  
At the beginning with you
