Dirty E & T
We all, we got
Star Tracks on the G-M-B

I'm not the man sittin' next to the man
But I'm the man sittin' wonderin' if I'ma ever see you
again
If I'mma ever get the chance to hug and squeeze you
again
I swear, I'll never leave you again

You ain't gotta worry 'bout it, wo
Dirty is simple man
I run up on you, man and all I ain't no Minute Man
A G-4 headin' straight for Switzerland
Or independent 8-Mile down to Michigan
She so fit, man an S-T-L hottie
Aqua bottom demin, the flyest thang in the party

Baby last could it be Mo-Lotte?
Got mo' back than she got body, eh
Fall back, get 'Cris and drin' it up
Tomorrow hit the mall and 'Cris you D-it up
Credit card to the max, come back I re. it up

If I'm movin' too fast fo' ya
Hurry to speed it up or ease up, whichever one you
prefer
We yellow diamonds or the whites, whichever one you
prefer
Cali we do the drop, New York we do the furr
East Coast, West Coast whichever one you prefer

If I couldn't take you around the world
Then shorty would you be my girl?
Hey, would you be my?
Buy you cars, credit cards
Big jewelry with diamonds, girl
Would you still be my girl?
Hey, would you be my?

No NBA that I can handle rock

I'm a different kinda' balla' baby, feel or not
Yea I'm a playa' and I crush a lot
I also puff a lot but I'll stop if you fuss a lot

Everything I did done, you ain't satisfied
And you don't wanna' answer to my who's and my
why's, eh
Just loan me back my keys to my CL55
Better hurry the bus leave at 7:55

We off that, take you to the field, ma
Let you ride horse back
Yea, I'm 50 miles from the arch and all that
But from the bedroom, balcony, you can see all that
I can see you pointin' now like
What do you call that?

Got all these damn cars
Where the hell do ya' park at?
We used to ask, what it cost?
Now it ain't no more a'that
I made it so ya' own mama call ya, it's all crap

Take you around the world
Then shorty would you be my girl?
Hey, would you be my?
Buy you cars, credit cards
Big jewelry with diamonds, girl
Would you still be my girl?
Hey, would you be my?

Take you, girl if I couldn't
Take you, if I couldn't
Take you around the world
Tell me would you still be my girl?
If I couldn't take you
No way to take you
Girl if I couldn't
Take you around the world
Tell me would you still be my girl?

If I couldn't take you around the world
Then shorty would you be my girl?
Hey, would you be my?
Buy you cars, credit cards
Big jewelry with diamonds, girl
Would you still be my girl?
Hey, will be my girl?

If I could take you around the world
Then shorty would you be my girl?

Hey, would you be my?
Buy you cars, credit cards
Big jewelry with diamonds, girl
Would you still be my girl?
Hey, would you still be my?

If I could take you around the world
Then shorty would you be my girl?
Hey, would you be my?
Buy you cars, credit cards
Big jewelry with diamonds, girl
Would you still be my girl?
