(Cerrone)

I can't say
It's ever been easy watching time go by
While everybody finds somebody
I say "no love, no cry"
I believe the words to every sad song on the radio
Could love be a stranger? Heartache can't change it.
Now I've found you, I'll never let you go

CHORUS

Now, I'll never let a day go by
A day without your love
I never can say goodbye
I'll never give up on you
I'm living in a perfect world
And you're the reason why
Oh, oh, oh, why?
I'll never let a day go by

I'm now saying I can be certain
Somewhere in my mind
Somebody up there brought us together
Same place, same time
I used to tell myself
I can be strong and live my life alone
I must have been lying
My heart was crying
'Till you came and made it your home
Now I

CHORUS
