Johnny, Johnny Dollar

Lady, lady, lady  
Why do you holler  
Ain't nobody seen  
Your Johnny Dollar

(CHORUS)

I can't get no sleep  
In this noisy street  
I've got to move  
(I've got to move)  
I've got to find me

A quiet place

There's a man next door  
With a radio and he plays it  
All through the night  
There's a couple in the  
Apartment above my head  
That don't do nothing  
But fuss and fight

(CHORUS)

Tell me, where do you go  
When you got no dough  
There must be a way  
Out of here

But I've got to find  
Some peace of mind  
There must be a place  
That I can find

Believe me when I tell you  
There's a cat that gets  
Under my window and  
He meows all the time

There's a drunk that wakes me  
In the middle of the night  
Singing Sweet Adeline

(CHORUS) 2X

Oh, I've got to move  
(I've got to move)  
I've got to find me  
A quiet place

I got to get away from  
This noisy street
