Cry cry baby, cry baby, cry baby,  
Welcome back home.

Now he told you, that he loved you much more than I  
But he left you and you don't you just don't know why  
And when you don't know what to do  
You come running and

Cry cry baby, cry baby, cry baby,  
Welcome back home.

Well I can always lose,  
Don' you know nobody can love you the way that I do  
Take the pain and the heartache too  
Ah honey you know that I'll be around  
When you need to

Cry cry baby, cry baby, cry baby,  
Welcome back home.

Welcome back home

SPOKEN:

I've spent so many nights  
Just waiting for you to come walking through that door  
And even tho you've made a fool of me so many times  
before  
I know that all it takes is just the sight of your face  
To make me realize that I will always love you darlin  
And I can see that you got some more tears to she'd  
I can see it baby, cause your eyes, your eyes are  
getting red

So c'mon, c'mon, c'mon, c'mon c'mon  
Cry cry baby, cry baby, cry baby,  
Cry cry baby, cry baby, cry baby,
