Josie's gone now  
She cried a lot  
Had to go away  
And though I miss her  
I want to kiss her  
Ain't it just the way  
But it's no way at all  
'Cos if you knew what I'm goin'  
Through you'd know  
That there's one thing wrong  
With the way I'm living  
Ain't got no Josie no-more

Hey mr. dream maker send me a dream  
This one is over it's not what it seamed  
And so tonight when I turn out the light  
Send me a new dream tonight, ooh

She didn't say much  
Just a little touch  
And she was on her way  
Ooh I could have cried then  
Instead I died then  
She left me standing dazed  
But it's no use crying  
Well that's what everybody  
Tells me and they all seem to know  
That there's one thing wrong  
With the way I'm living  
Ain't got no Josie no-more

Hey mr. dream maker send me a dream  
This one is over it's not what it seamed  
And so tonight when I turn out the light  
Send me a new dream tonight

Ooh, hey mr., ooh, hey mr.  
Hey mr. dream maker

Mr. dream maker send me a dream  
This one is over it's not what it seamed

And so tonight when I turn out the light  
Send me a new dream tonight

Aaahhh, send me a new dream tonight

Hey mr. dream maker send me a dream  
This one is over it's not what it seemed  
And so tonight when I turn out the light  
Send me a new dream tonight

Aah, send me a new dream tonight.....
