Aum aum aum aum
Aum aum aum aum

If you should tell me that I'll always be,
The one you'll always love so true.
Then I can tell you I could easily,
"I could easily fall in love with you."

It wasn't long ago I saw you there.
But even then I thought I knew,
That given half a chance I'd easily,
"I could easily fall in love with you."

I've been too long on my ownsome now.
I've been too long by myself.
I couldn't feel more lonesome now.
If I was left on the shelf.

Don't ever change that smile you're smiling now.
And please don't let me see you blue.
Then I can tell you oh so easily,
"I could easily fall in love with you."

I've been too long on my ownsome now.
I've been too long by myself.
I couldn't feel more lonesome now.
If I was left on the shelf.

Don't ever change that smile you're smiling now.
And please don't let me see you blue.
Then I can tell you oh so easily,
"I could easily fall in love with you."
