I'll take good care of you
I'll take good care of you

I let you go
For what a fool I was
To hurt you so
But now I know

All of the good times
Big city sights
I had enough of
Bright party lights
They'll never make up
For long, lonely nights

Cause I need you
(I need you)
I need you
(I need you)
I need you
And I promise that

I'll take good care of you
I'll take good care of you

Ain't it a crime
I know I've wasted
So much precious time
So much precious time

You gave me real love
Beautiful poems
But I gave you nothing
But heartache and pain
Baby, believe me
It won't happen again

Cause I need you
(I need you)
I need you
(I need you)

I need you
And I promise that

I'll take good care of you
I'll take good care of you

Let me take away
The pain, babe
(I need you)
And let me hide
Those teardrops
(I need you)

You know every day
And every night
(I need you)
I'm gonna, I'm gonna
Stand by you
And I'll take
Good care of you

I'll take good care of you
I'll take good care of you
