It's in every one of us to be wise
Find your heart
And open up both your eyes
We can all know every thing
Without ever knowing why
It's in every one of us by and by

It's in every one of us
Find your heart
And open up both your eyes
We can all know every thing
Without ever knowing why
It's in every one of us by and by

It's in every one of us
I just remembered
It's like I've been sleeping for years
I'm not awake as I can be
But my seeing's better
I can see through the tears

I've been realizing that
I bought this ticket
And watching only half of the show
But there's scenery and lights
And a cast of thousands
Who all know what I know
And it's good that it's so

It's in every one of us to be wise
Find your heart
And open up both your eyes
We can all know every thing
Without ever knowing why
It's in every one of us by and by

It's in every one of us by and by
