Love had ended  
Can't be mended

All along the line  
I've been true to you  
Even though for some time  
I knew we were through

I was feeling  
That love had ended  
Can't be mended  
But I can't bear to see you cry

The feeling's gone  
It's been missing too long  
But I just don't have the heart  
I just don't have the heart to tell you  
It's such a shame  
That it's ended this way  
But I just don't have the heart  
I just don't have the heart to tell you

There'll be no goodbyes  
There are no words to say  
When you realise  
That I'm far away

You'll be hurting  
Like I've been hurting  
The truth was burning  
But I just can't say goodbye

The feeling's gone  
It's been missing too long  
But I just don't have the heart  
I just don't have the heart to tell you  
It's such a shame  
That it's ended this way  
But I just don't have the heart  
I just don't have the heart to tell you  
Ooh but I just don't have the heart

I just don't have the heart to tell you

If I stopped to think about  
The good times that we shared  
I could fool myself believing  
That somehow love, love was still there  
Ooh (love, love, love, love, love had ended)  
(Love, love, love, love, love had ended)

I was feeling  
That love had ended  
Can't be mended  
But I can't bear to see you cry

(Repeat Chorus)
