Dah dup Dah dah dup Dah dup Dah dah dup Dah dup
Dah dah dup Woe woe woe woe
Dah dup Dah dah dup Dah dup Dah dah dup Dah dup
Dah dah dup Woe woe woe woe

When I was just a little baby I didn't have many toys
But my momma used to say son,
You got more than other boys
Now you may not be good looking
And you may not be too rich
But you'll never ever be alone 'cos you've got lucky lips

Chorus
Lucky lips are always kissing
Lucky lips are never blue
Lucky lips will always find a pair of lips so true
Don't need a four leaf clover
Rabbit's foot or good luck charm
With lucky lips you'll always have a baby in your arms

Dah dup Dah dah dup Dah dup Dah dah dup Dah dup
Dah dah dup Woe woe woe woe

Now I never get heartbroken no I never get the Blues
And when I play the game of love I know I just can't lose
When they spin that wheel of fortune
All I do is kiss my chips and I know I'm bound to win
yeah
Cause I've got lucky lips

Chorus X2
