Never even thought it would happen to me
Maybe I've been blind
Only others can see I'm in love
What am I to do. Can I let it show
Do I keep it to myself
Or should I let her know I'm in love

Do I nurse it in my heart
Hold it back in my eyes
Hide it all inside
Or put on a disguise I'm in love

Have I gotta play games
Even suffer the pain
Let the secret out
Even suffer the doubt I'm in love

I know it's all there
I really wanna share my life
With someone else
Will she feel the same

What am I to do. Can I let it show
Do I keep it to myself
Or should I let her know I'm in love
It isn't so easy when you've broken before
But it isn't so hard when you're ready for more
Could you love me

Give me a simple clue
Anything will do
So long as I know
What's in me is in you
Could you love me

I've got so much of care to give away
There's only one thing I wanna hear you say
I love you...

Have I gotta play games
Even suffer the pain

Let the secret out
Even suffer the doubt I'm in love

I know it's all there
I really wanna share my life
With someone else
Will she feel the same
