She walks in I'm suddenly a hero  
I'm taken in my hopes begin to rise  
Look at me can't you tell I'd be so  
Thrilled to see the message in your eyes  
You make it seem I'm so close to my dream  
And then suddenly it's all there

Chorus

Suddenly the wheels are in motion  
And I I'm ready to sail any ocean  
Suddenly I don't need the answers  
Cos I I'm ready to take all my chances with you

How can I feel you're all that matters  
I'd rely on anything you say  
I'll take care that no illusions shatter  
If you dare to say what you should say  
You make it seem I'm so close to my dream  
And then suddenly it's all there

Chorus

Why do I feel so alive when you're near  
There's no way any hurt can get thru'  
Longing to spend every moment of the day with you

Chorus

Taken by Sunny from "Xanadu" soundtrack
