Welch / Bennet
We're all going on a summer holiday
No more working for a week or two
Fun and loughter on our summer holiday
No more worries for me or you
For aweek or two
We're going where the sun shines brightly
We're going where the sea is blue
We've all seen it on the movies
Now let's see if it's true
Everybody has a summer holiday
Doing things wanted to
So we're going on a summer holiday
To make our dreams come true
For me and you
For me and you
