I hear you say hello
Now is there something the matter
Oh won't you tell me so
Don't you know that it's better to
Tell me if you're feelin' sad
Nothin' should be quite this bad
We're playing (silly games)

Take another look
Please another look
At just who you're talking to tonight
Maybe there's a chance
Please another chance
That we won't be wastin' time tonight
(Take another look)
Oh won't you- oh won't you (take another look)
Oh please (take another look)

You wonder for tonight
'cos you say you need to
Well don't you know it's alright
Pretty soon you'll be free to go
Wherever you need to go
But there's something that we both should know
We're playin' (silly games)
Take another look
Please another look
At just who you're talkin' to tonight
Maybe there's a chance
Please another chance
That we won't be wastin' time tonight
(Take another look)
Oh won't you-oh won't you (take another look)
Oh please (take another look)

I hear you say hello
Now is there something the matter
Oh won't you tell me so
Don't you know it's better to
Tell me if you're feelin' sad
Nothin' should be quite this bad

We're playin' (silly games)

Take another look
Please another look
At just who you're talkin' to tonight
Maybe there's a chance
Please another chance
That we won't be wastin' time tonight
(Take another look)
Oh won't you-oh won't you (take another look)
Oh please (take another look)

Take another look-just another look baby
Take another chance-just another chance
Baby maybe-come on baby
Take another look another-
Just another look another
Maybe there's a chance-maybe just a chance
Take another look-just another look
Take another look baby
