The minute you're gone I cry  
the minute you're gone I die  
Before you walk out of sight  
I'm like a child all alone at night  
I stare into emptiness  
I'm filled with such loneliness  
The world goes from right to wrong  
The minute you're gone  
The minute you're gone  
I see  
How lonely a man I'll be  
My life would be oh so blue  
If i couldn't be with you

The Minute you're gone I pray  
The minute you're gone I say  
Please don't stay away too long  
The minute you're gone  
The minute you're gone
