If I listen to you then I'm a winner,
If I take you at your word every day.
There's nothing that can harm me I'm a winner
all the way,
If I take notice of what the words tell me,
It's not too long before I'm caught out in the
rain
You're the only one who can take me back again.

Taking me back, making me one with you,
Taking me back, making me new.
Taking me back, even when I've been done
with you,
Taking me back, you keep pulling me through,
To the love that won't give up - with you
I'm a winner
Here I am I'm a winner

See my world turned it upside down,
Maybe know that I'm nothing without you.
Got a brand new style of living with a
motivation,
When I know my way losing my direction.
That's when I get hurt with no one else to
blame
You're the only one who can heal me taking me
back again.

Taking me back, making me one with you,
Taking me back, making me new.
Taking me back, even when I've been done
with you,
Taking me back, you keep pulling me through,
To the love that won't give up here I am a
winner
Here I am I'm a winner.

If I listen to you then I'm a winner,
If I take you at your word every day.
There's nothing that can harm me I'm a
winner all the way,

Taking me back, making me one with you,
Taking me back, making me new.
Taking me back, even when I've been done
with you,
Taking me back, you keep pulling me through,
To the love that won't give up.

You keep taking me back, making me one
with you,
Taking me back, making me new.
Taking me back, even when I've been done
with you,
Taking me back, you keep pulling me through,
To the love that won't give up.
