Blind me with all your lies  
You're evil  
I can look into your lies  
You're evil  
I can look into your face  
You're evil  
Lying all over the place  
You're evil

Hey ma, run into the night  
Into the night to roam  
You lie you know

Those looks you give me tell that  
You're evil  
I hope I don't see you alive  
You're evil  
You, yea you  
You're so evil  
You're so evil  
You're evil  
You're evil

Hey ma, run into the night  
You're a creature of destruction  
Yea, you know

Into the night  
Into the night to fight  
Come on baby let's fight

Those looks you give me tell that  
You're evil  
I hope I don't fit into your plans  
You're evil  
You, yea you you're so evil  
You're so evil you're evil  
You're evil

Hey ma, run into the night  
You're a creature of destruction

Yea, you know
