I see fields of blank out staring eyes
on freeways in the skies
on asphalt and petro highs
their souls need not for ice
the AC will suffice

I see tans and muscles on the guys
the girls have thunder thighs
but lightning left there eyes
the day that they decided to..

FUCK FUCK AND SPEND MONEY
FUCK FUCK AND SPEND MONEY
FUCK FUCK AND SPEND MONEY yeah...yeah yeah YEAH

Well..I..see..death
he drives a brand new car
he's sitting at the bar
he's watching all the stars..OH YEAH

FUCK FUCK AND SPEND MONEY
FUCK FUCK AND SPEND MONEY
FUCK FUCK AND SPEND MONEY
FUCK FUCK AND SPEND MONEY
FUCK FUCK AND SPEND MONEY...FUCK...FUCK YEAH!
