"Hungry Hungry Models"

[1] - Shiny working models
Tall gorgeous models
Hungry hungry models
On the runway

Baby, I need jacket
I see through that skirt
Purple plastic earrings
Finger down her throat

Walking like a tiger
Spinning at the end
Hungry hungry models
On the runway

Hungry Hungry Models
On the runway

Lucy's kind of nervous
Jeannie's on the pill
Peggy's in pajamas
Stevie's kissing Jill

[Repeat 1]

Pretty little models
Sitting by the pole
Talking about fashion
Hungry like the wolf
