The sight of you, the sight of you  
Exhuming my frustration  
Full of envy  
My thoughts, my stupid thoughts

Your eyes  
Burning through my skull  
The taste in my mouth  
So bitter

[Chorus:]  
Share my misery  
Feel my disease  
Share my misery  
Feel my disease

See my face, stare into my eyes  
Filled with distrust  
I hate the way you look at me

Unable to breakthrough  
I need to see you suffer  
Share my misery

[Chorus:]  
Share my misery  
Feel my disease  
Share my misery  
Feel my disease

Murder your own breed  
Kill your family  
Drown your children  
Kill the bastards  
Rape them, burn them, kill them

Seeing through the dark  
Finding a way out  
I need to see you suffer  
Share my misery  
Need to see you suffer

[Chorus:]  
Share my misery  
Feel my disease  
Share my misery  
Feel my disease

Feel my disease  
Feel my disease  
Feel my disease  
Feel my disease
