These never-dying tunes  
That pervade in my soul  
Filtered and transmuted through my mind  
Are the laments of the hopeless and the damned?

[Chorus:]  
Exalted  
Violent, obsessed  
Black plague possessed  
Violent, obsessed

I feel nothing but terror  
Words of doom rise to the sky  
Like voices calling up from down below  
I hear the bells of hell begin to chime

[Chorus:]  
Exalted  
Violent, obsessed  
Black plague possessed  
Violent, obsessed  
Corrupted  
Sickly obsessed  
Black plague possessed  
Sickly obsessed

Invaded by fear  
Chills run down my spine  
Legions of undead spirits  
Lead my soul to rot  
Infected skin  
Bloating corpse  
Filled with hatred  
And lust

[Chorus:]  
Exalted  
Violent, obsessed  
Black plague possessed  
Violent, obsessed  
Corrupted

Sickly obsessed  
Black plague possessed  
Sickly obsessed
