Dance little sister dance

Look at you looking like the cat's meow.
Looking so shy, walking through the crowd.
You're looking for a lover but you can't let it show.
You think you're getting over but you just don't know.

Oh, it's dangerous to love.
But tonight I'll get you to take a chance.
If I could just get you to.

Dance little sister dance.
Cuz you're two steps away from love.
Dance little sister dance.
Cuz I feel you coming closer,
Closer to the beat of my heart.

Look at you acting like you don't know my name.
I'll play along with your little game.
Cuz before the night is over you'll be losing the

Fight.
And you'll be begging me to hold you tight.

Oh, I'll take you in my arms.
Make you look longer than just a glance.
If I could just get you to.

Dance little sister dance.
Cuz you're two steps away from love.
Dance little sister dance.
Cuz I feel you coming closer,
Closer to the beat of my heart.

Oh, it's dangerous to love.
But tonight I'll get you to take a chance.
If I could just get you to.

Dance little sister dance.
Cuz you're two steps away from love.
Dance little sister dance.

Cuz I feel you coming closer,
Closer to the beat of my heart. FADE
