Parked at the dark end of your street
I'm sticking to my vinyl seat
I got my big old spy scope out
I'm sneaking right up to your house

[Chorus:]

My golfshirt is tatter and torn
I've been wearing this thing for so long
It's been ... I don't have a clue
It's been ... I still want you

I'm climbing up your apple tree
With my giant spy scope i can see
I'm watching you flossing on your teeth
I bet your mouth is really sweet ... and minty

[Chorus:]

My golfshirt is tatter and torn
I've been wearing this thing for so long
It's been ... I don't have a clue
It's been ... I still want you

You... I still want you [6x]

[Chorus]

I still want you [3x]
